**WHEREAS**, this shortage of affordable housing constitutes a threat to the health, safety, morals, and welfare of the residents of the County and causes the County to make excessive expenditures for crime prevention and control, public health, welfare and safety, fire and accident protection and other public services and facilities; and

**WHEREAS**, the Community Affordable Housing Strategies Alliance (CAHSA) was established by this Board on May 6, 2006 pursuant to Resolution No. R-558-06 for the purpose of analyzing and making recommendations with respect to the affordable housing crisis in the County; and

**WHEREAS**, CAHSA recently made several recommendations to the County regarding the affordable housing crisis, including the need to facilitate the development and construction of affordable housing; and

**WHEREAS**, it is in the best interests of the County and its citizens to implement a homeownership program that is “affordable” as that term is defined in Section 420.0004(3), Florida Statutes, as amended (“Affordable”); and

**WHEREAS**, the Board desires to establish an affordable homeownership program as described in this Resolution (“Affordable Homeownership Program”); and

**WHEREAS**, the County is required to prepare an inventory list of all real property within its jurisdiction to which the County holds title that is appropriate for affordable housing pursuant to Section 125.379(1), Florida Statutes and may make properties on that list available for use for the production and preservation of permanent affordable housing pursuant to Section 125.379(2), Florida Statutes; and
